News Items

(Review Correspondent.)
PENDER ISLAND, July 11.—As a result of the meeting held at Mrs. W. Grimmer's home about two weeks ago, a local branch of the W. A. of the Anglican Church has been formed here. Mrs. Dickson, the organizer, was present, and the meeting was well attended.

We are sorry to report that Mr. T. W. Fry has been on the sick list again, but glad to say he is improving nicely, and is contemplating a trip and a month's rest.

Miss Florence Bryant came out from Victoria on Saturday morning and is spending her holidays with Mrs. Harold Bowerman.

Mr. Frank Johnson is home for a couple of weeks from Prince Rupert, where he has been employed for nearly a year.

Mr. Graham returned yesterday supported by a pair of crutches. He had the misfortune to break his leg at the ankle about a couple of weeks ago when Roy Adams' team ran away. In jumping clear of the wagon he landed on rough ground, and experienced the painful injury. He was taken to the hospital and seems to be making rapid progress toward recovery. Roy Adams sustained only minor bruises.

J. S. Stigings has his brother-in-law and sister, Mr. and Mrs. Walker, visiting from the prairie.

Miss Mhora and Grace, and Mr. Robin and Master Callum MacDonald are holidaying with Mrs. J. M. MacDonald.

Mrs. Robbins and daughter Kate have returned to Mrs. Pollard's after some time in Victoria.

Mr. N. N. Grimmer left yesterday for Vancouver.

Mr. John Tolpitt came out from Victoria yesterday to visit his daughters, Mrs. S. P. Corbett and Miss Muriel Tolpitt.

The annual school meeting was held in the school on Saturday evening, and was well attended. There was considerable excitement throughout, the "heat" being almost intense at times, but matters cooled down somewhat before the meeting was over, but Mr. A. Hamilton proved a very able chairman. The report showed an attendance of forty pupils and the necessity of securing a second teacher in February. The school was divided into two rooms, the junior grades being accommodated in the basement, and though not an altogether satisfactory location, it was thought that, with a few alterations it could be used for another year to save further expense. The services of a new teacher proved absolutely necessary, her salary was met without exceeding the estimates, and the report showed a balance of \$7 on hand. The work of Miss Geldart was again most highly commended and it was decided to raise the estimates by \$200 for the coming year, so as to make the salaries of both teachers equal. Miss Thomson and Miss Geldart have both proved very popular and satisfactory teachers, and although they have resigned it is thought that they may be prevailed upon to return, the former leaving only with the hope of securing a position at home.

The election of officers concluded the meeting. Mr. Jack Clague was elected trustee for the three-year term in place of J. A. Brackett, defeating J. Gibson by only one vote. Mr. Egan Hosen was elected auditor in place of R. S. W. Corbett. The meeting then adjourned.

MR. EDMUND SEAGER DEAD.

Mr. Edmund Seager, step-father of Mr. F. F. Fornori, died at his home in Kenora, Ont., last Sunday at the age of 84 years. Mr. and Mrs. Seager spent a few months in Sidney last year, and many of the residents of Sidney and district will regret to learn of Mr. Seager's death. He was a member of the Masonic lodge, being one of the oldest members of the lodge in Kenora. He was also a member of the Odd Fellows' lodge, in which organization he had held membership for a long term of years.

CARD OF THANKS.

Mr. W. T. Wilson desires to express his thanks and appreciation for the many beautiful floral offerings at the funeral of his wife, the late Mrs. Wilson, and also for the many kind acts done by numerous friends.

Work Done in
Record Time

Queens avenue was the scene of great activity and considerable excitement last Tuesday evening, when a barn-raising took place at Mr. C. Ward's ranch. The work was carried on with such speed and accuracy that some of the helpers that it would be possible to paint the building before dark, but in this they were disappointed. The building went up in record time, the stock being in the barn inside of two hours, which was certainly some record. Among those who appeared to be most industrious was Rev. T. M. Hughes, who officiated in a very able manner as superintendent of construction. Others who took part in the work were Messrs. F. Parkes, F. Wilkinson, W. Patchell, S. Halseth, G. Hill, J. Sutherland, A. Conway, B. France, J. Jackson, — Davies, W. Hurst, R. Douglas, G. Smethers, C. Ward and B. Ward.

After the work was completed supper was served by the hostess, assisted by Mrs. Hurst, Mrs. Parkes and Mrs. Conway. During the evening music and singing was indulged in and a very happy time was spent by all.

News From
West Saanich

(Review Correspondent.)
WEST SAANICH, July 11.—An incident which might have had very serious results, occurred at the Brentwood Beach on Thursday evening last when the young son of Mr. Henry Hall fell off a log into deep water, at the pier, by the B. C. Electric power station. Clinton Chatton, a boy of 12 years of age, who was nearby, went to the rescue, and diving into the water, brought the child to the surface, and swam with him to the wharf. The child seemed little the worse for his immersion.

A merry crowd was to be seen at the beach and around the grounds of the Brentwood hotel last Wednesday, the occasion being the picnic of the staff of Angus Campbell & Co., of Victoria. The catering for the day was in the capable hands of Mr. Felix Massaratti, of the Brentwood Hotel. This arrangement left the party free to enjoy themselves every minute of the time. Some donned bathing suits and enjoyed themselves for some time in the water, while others took the launch and made the trip round the inlet, to the Butchart Gardens, and still others preferred to spend their time lounging in some shady nook in the hotel grounds. Lunch and tea were served on the spacious veranda of the hotel, and everyone declared this style of picnicking to be far in advance of the usual basket affair. The catering was pronounced to be of the best.

A surprise party was arranged on Mrs. R. J. Parsell last Thursday evening on the occasion of her birthday. A large party of friends, arriving from Sluggetts, Keating, Saanichton and Victoria, gathered at her home to offer birthday greetings. A musical programme was arranged, some talented artists taking part, and a very enjoyable evening was spent. A very handsome birthday cake made its appearance at the supper table, the work of Mrs. J. W. Sluggett. The guests presented their hostess with a very beautiful flowering plant as a memento of the occasion.

At a meeting of the West Saanich Women's Institute, held at their rooms on July 4, Mrs. W. Wait, of Durranee, and Mrs. T. Walker, of Brentwood, were elected president and vice-president, respectively, to fill the vacancy occurring by the resignations of Mrs. Murray and Mrs. Buckle.

Mr. and Mrs. Battram and family, of Woodrow, Sask., were among the visitors to the Butchart Gardens on Saturday.

Miss Nellie Parkins, who had been spending the past week with Miss Gladys Guy, has left for Seattle, where she will visit friends before returning to her home in Equinault.

Mrs. Rutton and family have arrived and taken up their residence at their country home here for the summer months.

Mr. J. Battram, who had been visiting Mr. and Mrs. Malcolm, on July 4, has left for his home in Saskatchewan.

Annual Meeting
of Ratepayers

The regular annual meeting of the ratepayers of the Sidney School District was held in the school last Saturday evening, there being a splendid attendance. Mr. John Matthews, chairman of the School Board, was elected chairman of the meeting, and Mr. Duff, secretary of the School Board, acted as secretary of the meeting. The minutes of the last annual meeting were read and adopted. As Mr. John Matthews' term of office expired at this meeting, it was in order to elect a trustee for the term of three years. When nominations were called for Mr. Matthews was the only nominee, and he was, therefore, elected by acclamation. Mr. Matthews took advantage of the opportunity to thank the ratepayers for the honor which they had done him by re-electing him to the School Board. The Board is made up of the following gentlemen: Mr. John Matthews, chairman, Mr. J. Duff, secretary, and Mr. J. T. Taylor.

In regard to teachers' salaries for the ensuing year, it was decided that the sum not to exceed \$1,100 be paid for the services of the two junior teachers, and that the principal, Mr. James Ramsay, and Miss Christie, be

paid the same salary as last year, \$1,600 and \$1,200, respectively. It was also decided to pay the sum of \$25 for fixing the school grounds, clearing away old fences and shrubs, etc.

The sum of \$110 was granted for the children's library.

The Board had, previous to the meeting, called for tenders for the janitor work of the school, but none of the tenders submitted were accepted. The sum of \$720 was set aside for this purpose, and new tenders to be called invited.

Through the untiring efforts of the secretary of the School Board, Mr. Duff, \$1,670 was received from the government, this sum being arrears from the government which had been under discussion for some time. Of this amount, \$670 will be placed in the bank for running expenses, and the remaining \$1,000 paid on the government assessment.

It was decided to ask for the sum of \$3,250 as this year's appropriation from the government.

Mr. Roy Brethour was re-elected auditor for the ensuing year.

The statement of receipts and expenditures follows:

RECEIPTS

Cash on hand July 9, 1921.....	\$ 117.87
From Department, regular grant.....	4,150.00
From Department, manual training.....	80.00
From Department, arrears.....	1,625.90
From Christmas Tree Fund.....	37.20
From Dramatic Club.....	27.70
Total.....	\$6,038.67

EXPENDITURES

Teachers: J. Ramsay, \$1,020; F. D. Christie, \$620; G. E. Moses, \$620; P. Creighton, \$620.....	\$2,880.00

Balance, cash on hand, July 2, 1922.....	1,679.70
Total.....	\$6,038.67

Cut Over Two Million
Feet in Month of June

The Sidney Mills which have been working day and night during the month of June, established a record during that period, the largest cut of any one month since the mill commenced operations.

The following figures tell the story of the past month's business, and will no doubt prove very interesting:

From June 1 to June 30.

Total shipments, lumber, 2,151,301 ft., board measure; lath, 965,200; shingles, 366,750.

Export: S. S. Canadian Britisher, loaded at Genoa Bay for Adelaide, Australia, 158,707 ft., board measure; S. S. Canadian Freight, loaded at Genoa Bay for Shanghai, 95,390 ft., board measure; S. S. Hollen, loaded at Chemainus for Sydney, Australia, 220,730 ft., board measure, and 200,000 lath.

By rail, to American points, 18 cars, 341,833 ft., board measure, and 592,000 lath.

By rail, to Canadian points, 47 cars, 1,244,199 ft., board measure, and 173,200 lath. A total of 65 cars.

In the Saanich district was supplied 90,364 ft. of lumber.

Lumber manufactured during the month, 2,007,257 ft., board measure. Lath manufactured during the month, 711,940.

Shingles manufactured during the month, 531,500.

It is worthy of note that in June, 1922, the product was within 100,000 feet of the production in June of this

year. About 50 per cent of the logging camps on the island have ceased operations as a result of the fire which raged some days ago, and is still burning, which will make it increasingly difficult to obtain logs, and will be a serious handicap. In regard to the same matter, a proclamation was issued by the government calling upon the logging men to cease work until the fire danger was over. It is now learned that this proclamation was not in the nature of a command, but only as a request. However that may be, a number of the logging camps closed down as a result of the proclamation, and a number of them closed down on account of the loss they sustained in the region covered by the fire. This will mean, of course, that the price of logs will advance materially, and the price of lumber will no doubt have to be raised to meet the price of the raw material.

SUNDAY SCHOOL PICNIC.

St. Andrew's Sunday School and congregational picnic will be held on Wednesday, July 19, at the Experimental Farm. Cars for the children will leave the Church at 1.30 p.m. Persons having cars and willing to assist in giving the children a ride, are asked to be at the Church promptly at 1.30 p.m., and the parents are requested to send well-filled hamper. Mrs. Hope has kindly donated chairs and tables on her grounds for the occasion.

Meeting of
United Farmers

A well attended meeting of the North Saanich Local, U. F. B., was held in the open air of the school grounds, School Cross Road, on Friday evening, July 7. Several discussions took place on communications read by the secretary, one of which was the enforcement of the pound bylaw act for North Saanich, when it was found that owing to the expense which would accrue to the district it was decided to drop the matter until a more convenient time. The most important discussion of the evening was the probable shortage of hay for the coming winter, and the secretary was asked to make enquiries into the possible needs of the United Farmer members and others in the district who may require hay, it being left to Mr. Geo. Clark, of Patricia Bay to find out if there will be any local or Island hay for sale.

It is pleasant to record that there were seven new members nominated and accepted at this meeting.

Just a few words were said towards the close of the meeting regarding the shipment of the season's fruit, and although there may have to be some little adjustments for the first year, things seem to be working very satisfactorily.

Fulford Harbor
Newsy Items

(Review Correspondent.)

FULFORD HARBOR, July 10.—he following are the pass and prize lists of the Burgoyne Valley and Isabella Point schools for the year just closed:

Burgoyne Valley school, teacher, Miss K. Cates (Miss Lucas after Easter):

Passed into senior fourth—Jimmie Akerman, Ronald Lee, Jimmie Urquhart.

Into junior fourth—Edna Mollet, Kenneth Mollet.

Into senior third—Fergus Reid.

Into junior third—Evelyn Jackson, Stephen Maxwell, Florence Mollet, Archie Urquhart.

Into first reader—Allan Daykin, Rex Peters, Dora Urquhart.

Into second reader—Helen Daykin, Edna Morris.

Rolls of Honor—Regularity and punctuality, Kenneth Mollet; deportment, Eunice Cearley.

Prize for best flower book in senior third, Edna Mollet and Kenneth Mollet.

Prize for best wild flower book in second reader—Florence Mollet and Archie Urquhart.

Isabella Point School, teacher, Miss M. Akerman:

Passed into junior fourth—Sam Larden, Walter Lasseter, Peter Roland, Vina Shepard.

Into junior third—Leonard Shepard, Alfred Shepard, Margaret Shepard.

Into second reader—Wilbert Smith, Loreen Sparrow, Vernice Tahouney.

Rolls of Honor—Proficiency, Sam Larden; deportment, Paul Roland; regularity and punctuality, Margaret Shepard.

Prizes—General application, Peter Roland; regularity, Wilbert Smith; obliging manners, Vina Shepard.

On Friday evening a very enjoyable dance was held at the home of Mr. and Mrs. Leon King, of Beaver Point. Some 35 or 40 people were present and had a good time.

Miss Burton and Miss Rattenbury, of Victoria, were visiting Mr. and Mrs. Pollok, of Beaver Point, last week.

Miss Douglas and Miss Ledger, of Victoria, are guests at the White House.

Miss C. Smith left the island on Saturday to return to the Old Country.

Mr. C. M. Bryant returned today from Sidney Inlet where the mines are closing down for a few months for alterations, etc.

Mr. Reid has purchased a Cleo-Trac, which arrived last Monday.

Mr. and Mrs. R. Morris, Miss Ruth McClure and Mr. Ed. McClure were the guests of Mrs. Reid, Prospect Lake, last Sunday.

That news item you have would look good in The Review. Be sure the reporter represents The Review when giving the information.

News From
Mayne Island

(Review Correspondent.)

MAYNE ISLAND, July 11.—Mrs. Naylor left on Saturday for Victoria. Last Wednesday, July 4, the W. A. met at Mrs. G. Locke Paddon's, those present being Mrs. Naylor, Mrs. Coates, Mrs. Sandford, Mrs. Newham and Mrs. Maude.

Sunday evening Capt. T. Higgs crossed the Gulf with a tow of telegraph poles for the mills at Everett, Wash.

Monday afternoon, guests at Point Comfort on Mr. Gerald Payne's yacht, Saturna, were Mrs. McNeill, Mrs. Payne, Miss Audrey, Dolly and Geraldine Payne and Mr. John Payne. After tea and tennis they left for Whaler's Bay.

Last Thursday, Miss Maude and Miss Stewart, and Mr. Browning left for Salt Spring to play in the tennis tournament, Miss Stewart being the guest of Mrs. Best, and Miss Maude staying at Harbor House.

Mr. Browning left Ganges for the Peace River last Sunday.

Last Friday evening a most delightful camp fire party was held at Beach House, the home of Capt. and Mrs. Gilmour, in honor of Mr. and Mrs. David Bellhouse. Those attending from Mayne were Mrs. Maude and Mr. and Mrs. George Maude.

Dr. L. Jones and Mrs. Jones were guests of Dr. Kinnard last week.

Last Sunday evening, about 9 o'clock, after a piping hot day, a storm suddenly came up from the west and then veered round to the northwest, raising quite a dust storm. The gale continued the greater part of the night.

Capt. and Mrs. Maude, Mr. Geo. Maude and Mrs. Coates left in The Val for Cowichan, in the evening going on to Mill Bay, and returning on Monday evening.

On Sunday afternoon Mr. Desmond Crofton distinguished himself by saving the life of Mr. Caspian, who had the misfortune to be upset from the dinghy he was in with Mr. Stacey. Mr. Desmond Crofton, on hearing cries of distress from the water opposite Harbor House, rushed to the beach just in time to see Mr. Caspian rising for the third time. Swimming out he managed to help Mr. Caspian into shallow water, where Mr. Churchill also gave aid. Mr. Caspian is now at the Lady Min to Hospital and we hope there will be no ill-effects from the accident.

On Saturday, July 1, St. Andrew's Presbyterian Church picnic took place here, the Princess Adelaide bring about 800. Sports of every kind were staged in Mr. Bert Emery's park. The new pavilion was open and lunches were served to those who applied. After a very jolly time the picnickers left about 5 p.m.

On Friday, July 6, cars were seen in all directions carrying Mr. Deacon's friends out to Village Bay to celebrate the raising of a fine large barn. Refreshments were served, and after a splendid dance the crowd left at 2 a.m.

Mr. Patterson has been a guest of Mr. Emery for a week.

Mr. Geo. Russell is visiting friends on the island.

Capt. Woollett left for Victoria during the week.

Miss Nesta Steward was a guest on Mayne last Wednesday.

Monday evening Mrs. Bellhouse, Miss Harris and Mr. H. Bellhouse came over to Point Comfort for tennis.

Mrs. Austin Yates and Mrs. Yates are week-end guests at the Rectory.

SPECIAL NOTICE.

From time to time bills for subscription arrears are sent out, and in the majority of cases the bill is paid promptly, but some, either from neglect or because they do not wish to renew their subscription, fail to make any response to the invitation to settle. We wish to send the paper to every individual in this district, and outside of it, for that matter, but we do not wish to send it to anyone who does not desire it. Consequently we have discontinued sending the Review to those who have not in any way let us know their wishes. We take it that no response means that the subscriber wishes us to discontinue sending The Review. A phone message will do if you wish to have the paper continued.

The regular monthly meeting of the Ladies' Aid was held yesterday.

GOLD AS CURRENCY BASIS IS NOW ON SUPREME TRIAL

The approximate amount of gold money known to exist in the world is 9,000 million dollars. Of this amount the United States now holds some forty per cent—more than any single nation ever before had in its possession at one time. For the last year all has been income and no outgo.

The presence of this unprecedented amount of gold is causing more or less alarm among United States economists and bankers, and in Current Opinion, Richard H. Tingley, discussed the effect this state of affairs is likely to have upon economical conditions, judging from what has happened at previous periods of the world's history.

There is a theory, he says, which has stood the test of centuries to the effect that the more money of one kind or another there is in a given country or community, the higher prices will mount. This is called the "quantitative" theory of prices and teaches that an inflation in credit is sure to follow an abnormal supply of gold, and, as everyone knows, credit inflation and high price levels go hand in hand. Go back to the time of Solomon, to that of Alexander the Great or to the time when the Roman Empire was at its height. During all of these periods immense stores of gold (immense for those times) were concentrated at the centres of power, and it has been amply proven that prices of commodities were high. Go back four hundred years to the time when Europe began to be flooded with unprecedented amounts of gold from the New World, and history tells us that prices rose steadily for nearly a hundred years, causing an economic upheaval and readjustment in business all round. Go back no farther than the middle of the last century, when, almost simultaneously, California and Australia began to bring new gold into the world's markets and the "quantitative" theory of money was still found to be properly functioning. And, once more, we all have good cause to remember perfectly that, in 1918, 1919 and 1920, all commodity prices rose to heights not reached since Civil War days. Was it the quantitative theory of money which must be held responsible, or was it the war? At the height of the inflation period through which we so recently passed, although this country had, but recently come into possession of more gold than we have ever before seen, there was less of the yellow metal in our strong boxes by many hundreds of millions of dollars than there now is. Gold had been then, as now, moving steadily this way in order to back up European credits. After the war a counter movement set in which was checked about a year ago, and since that time the incoming flood has had no break.

The disturbing factor seems to be that, if the old theory is to hold, this country cannot long resist the compelling inflationary influence of this gold. That it has not already operated is no sign that it will not, in the end, perform its office. That, during the year and more that has seen such an influx of gold, commodity prices have steadily declined. It takes time for economic theories to work themselves out to a demonstrated finish.

Nobody wants to see such another period of inflation as that which visited us in 1919 and 1920—nobody except the few who profited prodigiously thereby. On the other hand, which is worse, the present state of deflated stagnated business or a moderate degree of inflation?

Summoning history again to the witness stand, throughout all the ages the presence or absence of gold has been the measure of the prosperity among nations and peoples. The decline of empires may be read in the record of their gold movements, in the occasion of their mining of new metal or in the exportation of their stocks, just as surely as their ascendancy may be traced in the acquisition and retention of this precious metal. During the periods of gold in plenty, prices may have been high, but prosperity was present, and which is to be preferred, high commodity prices and prosperity, or low prices and depression?

It is well known that in the Dark and Middle Ages Europe saw but little money. Edward S. Meade estimates that, from the time of Charlemagne to that of Columbus, but 150 million to 200 million dollars of new gold was mined. Was it the paucity in the precious metals that is accountable for the lack of progress which this period witnessed?

Strenuous efforts are now being made by bankers (headed by the Federal Reserve banks) by economists and by the leaders at Washington to prevent the immediate operation of the quantitative theory of money, or so to modify and subdue its action that no serious consequences may ensue. They all realize that to permit another period of inflation of credits and its consequent inflation of prices to be again perpetrated would be most disastrous. They realize, also, that the business of the country must be lifted out of its present slough of despond just as soon and just as rapidly as is consistent with sound economics. It is a delicate situation to handle for both depressions and booms in business are apt to run wild and become uncontrollable ones they start in earnest. The public sometimes takes the bit in its teeth and runs away. That is what happened, practically, in 1919 on the upward scale, and what conversely happened on the downward scale in 1920 and 1921.

The United States is the only country in the world which is now on the gold basis. No country, other than the United States, is able to redeem its paper currency on demand with gold.

Taking the world as a whole, or, rather, thirty-six of the leading nations which includes, of course, the United States, the aggregate gold reserve held by them

amounted, in 1921, to 8,184 million dollars. This stood behind a total note issue of 122,385 millions! In other words, if the entire world had clamored on for its gold in exchange for bank notes, it would have received by 6 1/2 cents on the dollar.

These are some of the disturbing factors with respect to gold as a world standard of money and as a basis for commercial as well as national credit, and theorists are again busy trying to devise some more suitable substitute. It has been shown that the same 36 countries which could settle on a basis of but 6 1/2 cents in gold on the dollar could have settled on a 64-cent basis in 1913. It has been shown that the amount of gold that it required to support commercial credit transactions the world over has been constantly diminishing, proving that the adequacy of that metal to perform its offices is being impaired. It has been shown that there is an enormous economic loss sustained in transporting gold back and forth between nations in the settlement of trade balances that should be avoided. It has been argued that it is absurd to cling to gold as a credit basis in business transactions which have grown into the hundreds of millions of dollars each year while the output of gold has steadily decreased.—Financial Post.

BACK STREET CHATTER.

It's money-making, easy sport—this farming in the dell; I don't see why they always charge for everything they sell.

The farmer's just a lazy chap, who lies around all day A'watching 'taters raise themselves, and meadows making hay;

The corn, and coats, and wheat and things are only needing rain;

The farmer ain't a thing to do until he eats again.

The cows have calves to milk them all, and pigs have troughs of swill;

His sheep grow wool in spite of him and fowls feed where they will.

The trees just bloom and fruit alone, so all the farmers do

Is just to sell the growing stuff to folks like me and you. They bring their easy produce here at prices that are well,

I wish I was a farmer guy—I'd show 'em how to sell!

—M. J. Marsh, in Farm Life.

To drive away ants—use a second-hand silver.

To keep dust off furniture—cover it with canvas.

To have your meals on time—get them yourself.

To keep servants good-natured—there's nothing like a change.

To have things just the way you want them—live alone.

TO PREVENT BALDNESS

For excessive oily perspiration of the scalp the Medical Records quotes the following prescription from Dr. Sabouraud, a famous Paris specialist:

Camphorated spirit, tincture of lavender, precipitated sulphur, of each 10; distilled water, to make 100.

The lotion is painted on with a small camel's hair brush at night and the head is washed thoroughly with soap the next morning. Men should use it every night, women once a week. A lotion is applied after this. An agreeable lotion recommended by Sabouraud is the following:

Tincture of lavender..... 20
Anhydrous acacia..... 30
Distilled water..... 30
Potassium nitrate..... 0.50
Alcohol (90 p.c.) to make..... 300

This is rubbed in with a fairly stiff brush, the applications being made daily if possible and continued for ten minutes in the female and four minutes in the male.

ADVERTISING PAYS

The merchant who does not advertise is as far behind the times as the old-time stage coach. He plods along in the same old way, year after year, while the more progressive merchant places his wares before the public and increases his business year by year. Persistent advertising has made millions for many progressive merchants, who recognized the value of advertising from the first day they commenced business. The Review goes into almost every home in the district and is the proper medium for reaching the people.

Spent the Day at Pender Island

The staff of the cycle store left Victoria at 7 a.m. on July 1, en route to Otter Bay, Pender Island, for the first annual picnic. They arrived in Sidney before the residents of that city were awake and then boarded Capt. Byers' launch, which was pretty well loaded, as the party numbered 19, and a generous store of good things to eat were taken along. The voyage was a most enjoyable one, everyone feeling quite safe under the Captain's guidance. Arriving safe at Otter Bay, the landing was made in great style, thanks to the able seamanship of the Captain. The party then climbed the cliff to the home of Capt. and Mrs. Aimes, whose home was kindly loaned to the party for the day. When the party arrived they were met by the following invited guests, Mr. and Mrs. H. Bowerman and Mr. J. Johnson and Mr. Laddie Auchterlonie. After partaking of many of the good things to eat, the party adjourned to the beach, where they enjoyed bathing and other sports. A number of sports events were run off in great style. One of the events, especially, caused much amusement, as one of the married men in a race hid behind a tree about half way to the winning post, and he won in good time. The married ladies won the tug of war, with the aid of the umpire, who, while steadying the rope, was pulling with the ladies for all he was worth. After supper the party returned to the launch, but not before passing a hearty vote of thanks to Capt. and Mrs. Aimes for their kindness, and also to Mr. Jim Bryant. The party arrived home very tired but very happy after their enjoyable day.

Was Saved From Watery Grave

(Review Correspondent.)
GANGES, July 11.—A drowning accident was narrowly averted on Sunday afternoon when Mr. Stacey and Mr. Casperson were returning to shore from Mr. Stacey's boat in a small dinghy. Mr. Casperson, who is unable to swim, was assisted towards the shore by Mr. Stacey. Having heavy clothes on, swimming was made difficult. Mr. Casperson went down twice. Hearing cries for help Mr. D. Crofton dashed in and succeeded in bringing Mr. Casperson ashore, who was by this time unconscious. He was rushed to the Lady Minto Hospital, and is out of all danger now.

Master Oliver Mouat is spending his holidays in Vancouver. Mr. L. G. Tolson, Oak Bay, is spending the summer holidays on the island.

Mr. E. C. Campbell has returned from Menzies Bay to spend the summer holidays at his home on Ganges Hill.

Mrs. Thompson, wife of Dr. Thompson, of Vancouver, spent a few days at Ganges this week. Her son, Harold, pupil of Formby House, returned home with her.

At the annual meeting of the ratepayers of the Ganges School District on Saturday evening Mr. Wm. Mouat was elected for another term, also Mr. F. Stacey was re-elected auditor. In spite of the very inconvenient hour for farmers, there was a fair attendance, although many more should turn out to these important meetings.

At the meeting of the North Vancouver district, Mr. J. T. Collins retired and Mrs. Norman Wilson was elected trustee. The other trustees are Messrs. W. Stephens and P. Heineky.

Miss Dora Clark is the guest of Mr. and Mrs. P. J. Gaynor, "Fruitvale."

Miss Jessie Mouat has returned from Columbia College after having successfully passed her examinations. Last week Mr. H. O. Allen lost his riding horse. The animal became frightened while tied, pulling part of the fence down and falling, broke one of its legs, and had to be shot. As the horse was very quiet and a great pet, some are wondering if it was frightened by a black bear that is reported to be on the island.

Guests at Harbor House this week are the Misses Johnstones, of Vancouver; Mr. F. Abbott, of England;

Miss Muriel Wilson, Victoria; Miss V. Maude, Mayne Island; Mrs. and Miss Pritchett, Mr. Fatt and son.

Mr. Roy Adams, who has been a patient in the Lady Minto Hospital, due to an accident while driving his team, returned to his home on Pender Island on Thursday.

Mrs. Ted Carter returned to Victoria on Monday for treatment.

Formby House School held their field sports on Tuesday afternoon, in their grounds, quite a number of invited guests being present. The boys, all in white, looked very nice in the sports and keen competition was shown. The best competition was seen in the senior 100 and junior 100, and junior high jump. Jack Smart did very well among the juniors, closely followed by Norman Best. Jack Clarke and Ian Thompson in the senior events. Following is the list of sports:

Junior long jump—1, Jack Smart; 2, Norman Best.
Senior long jump—1, Gordon Best; 2, Leslie Jenkins.

Cricketer ball—1, Jack Clarke; 2, Alaf Best.

100 yds., junior—1, Jack Smart; 2, Norman Best.

100 yds., senior—1, Ian Thompson; 2, J. Clarke.

Quarter-mile, junior—1, Jack Smart; 2, Norman Best.

Quarter-mile, senior—1, Ian Thompson.

High jump, junior—1, Jack Smart; 2, Norman Best.

High jump, senior—1, Alan Best; 2, Gordon Best.

Senior half mile—1, Jack Clarke; 2, Ian Thompson.

Lady visitors' orange and spoon race—1, Mrs. Ringwood.

Children visitors' orange and spoon race—1, Dorothy Elliot; 2, Shirley Wilson.

Egg and spoon race, boys—Leslie Jenkins.

Sack race, boys—Ian Thompson.

Consolation race, handicap, quarter-mile—1, Dexter Champion; 2, Ben Clarke.

Tea was served and prizes given to the winners. The following were among those donating the prizes: Mrs. J. Smart, Mrs. W. H. Thompson, C. Abbott, Esq., B. Clarke, Esq., Mr. Irvine, Mrs. Abbot, Mrs. Johnston, Mrs. Best, Capt. Best, Miss Frampton, Mr. D. Harris.

Mr. Wm. Evans and family are camping on the five acres he recently purchased on Rainbow Road.

Letters to the Editor

NORTH SAANICH SCHOOL.

Editor Review.

Dear Sir—I wish to thank my few supporters at the recent election for School Trustee, and at the same time sincerely hope my successor will be more successful than I in having the school made safe, healthy and in every way desirable for the children. I have tried, during my two years of office, to have water installed and fire escapes provided, but was unsuccessful. At last, however, there has been \$100 voted for fire escapes, and I hope to see it go through. My suggestion is for a door to be cut in the end of each room, and stairways built on the outside of the building. With fire drill in practice, the rooms could be vacated by all the scholars in one minute, whereas at present the only exit is over the furnace and that is naturally where a fire would start, the furnace being under the only stairway.

I certainly think the ratepayers would be ahead to sell nine acres at least of the land belonging to the school and have water installed from the Sidney water works. The school has a well now, but the water is not always fit for drinking, and the children sometimes have to go all day without a drink.

One acre of land is quite enough in the country, where we all have plenty of play-room, and for gatherings the children have always been made welcome at the Experimental Farm.

Safety, comfort and sanitary conditions around the school are essential, and ought not to have taken such a struggle to obtain as I have put up, and now in giving my position to Mr. McDonald I hope he will have more influence than I and

that we can soon feel that our children can go to that school without risking their lives or health.

Yours sincerely,
JOHN LIVINGSTON.

NOT RESPONSIBLE.

To the Editor.

Dear Sir—As a rumor is being circulated that I was responsible for the meeting recently held by Col. Winsby and Mr. Falconer in Sidney in reference to the proposed Liquor Vendor's store, I wish to state that I was in no way responsible for the meeting in question. Being more or less of a modest character, I do not wish to accept any more bouquets or honors than are coming to me.

Yours truly,
W. H. DAWIES.

PICNIC AT MT. NEWTON.

The members of Mr. Ramsay's class, accompanied by Mr. and Mrs. Ramsay, Mrs. A. G. Bonle, Mrs. Tomlinson, and children, of Vancouver, Mrs. J. Lophthorn and Mrs. Lane, climbed to the top of Mount Newton last Friday and spent a very jolly day there. Mrs. Lesage, Mrs. Halls and Mr. S. Roberts motored the party to the foot of the mountain, and called for them in the evening, for which one and all extended a hearty vote of thanks. A very happy day was spent by all.

News From Patricia Bay

(Review Correspondent.)
PATRICIA BAY, July 11.—The regular annual meeting of the ratepayers of North Saanich school district was held in the schoolhouse on Saturday evening last. The meeting was well attended, Mr. MacAulay being elected as chairman. The reports of the trustees and the auditor were read and adopted. Mr. Alex. McDonald was elected trustee in place of Mr. J. Livingston, whose term of office expired. Mr. W. A. Stewart was re-elected auditor. The ratepayers expressed a desire for water to be piped to the school, and also, if necessary, that fire escapes be installed at the school. The total sum voted for the year 1922 was \$2,600.

The following are the items of expenditure and receipts for the past year:

Receipts.	
Balance, 1921	\$ 360.18
By taxation	2,237.50
For damage to floor50
Total	\$2,598.18
Expenditures	
To Sup. teachers' salaries	\$ 940.00
Janitor	260.00
Fuel	172.25
Repairs, etc., to bldg.	172.42
School supplies	97.83
Land purchased	355.00
School furniture	44.00
Improvements to grounds ..	60.59
Insurance	21.00
Incidentals	28.37
Bal. on hand, June 30, 1922 ..	436.72
Total	\$2,598.18

Two new teachers have been secured, Mrs. Hout McKenzie as principal, and Miss M. S. Lowe as teacher for Division II.

Sunday School Picnic
The Anglican churches, St. Andrew's, Holy Trinity and Deep Cove, will hold their annual Sunday school picnic on Wednesday, July 19, at the Experimental Farm. The pupils will leave Holy Trinity and St. Andrew's at 2 p.m. Miss E. Gwynne will take the Holy Trinity pupils in her car. A very jolly time is anticipated by all.

Local and Personal.
Miss Edna John, of the School Cross Road, and Miss Iris Turpie, of Victoria, are spending a brief holiday in Vancouver.

Mrs. Farris and son, Kenneth, of Vancouver, are spending a holiday with Mrs. W. McLean, of "Bay View."

Mr. and Mrs. Jas. Bryce are expecting their son, Mr. W. Bryce, home for a holiday. His many friends will be pleased to see him.

Mr. A. Cox is now the owner of a Chevrolet.

There was a very large congregation at Holy Trinity last Sunday, many campers being among them.

Mrs. C. Brown and daughters, Vera and Myrtle, are spending their annual holidays in their summer cottage at Patricia Bay.

Mr. and Mrs. G. S. Merryfield and two sons, Stanley and Lloyd, also Mrs. Allen and the Misses Allen, all from Victoria, were the guests of Mr. and Mrs. Jas. Bryce. They had a very enjoyable picnic on the Patricia Bay beach while here.

Miss Doris Townsend, of Victoria, is spending a week of her holidays as the guest of Miss Kathleen Steinberg, of the School Cross Road.

The many friends of Mr. Geo. Graddon, of the School Cross Road, are pleased to see him around again after his recent accident.

Miss Georgina Johnston, of Victoria, came out last Thursday, and in the guest of Miss Margaret Connor.

Annie Ricketts Died Last Sunday

The death took place last Sunday, June 9, at the Royal Jubilee Hospital, Victoria, of Annie Pearl Ricketts, the 12-year-old daughter of Mr. and Mrs. F. Ricketts, of Bannan Bay. The little girl was born at Esquimalt. The funeral took place last Tuesday afternoon at 2.30 o'clock from the B. C. Funeral Parlors. Service was conducted by the Rev. F. Gowenlock, and the hymns sung were "There's a Friend for Little Children," and "Safe in the Arms of Jesus." There was a large attendance of sympathizing friends, and many beautiful flowers covered the little casket. The following young girls carried the remains to their last resting place: Misses Edna Ricketts, Amy Robinson, Adelaide Toomer, Edith Ricketts, Alma Robinson and Gladys Ricketts. The Rev. Gowenlock, tendering heartfelt sympathy to the steady sorrowing parents.

THE FUTURE OF THE NATIONALS.

The revised report of the Canadian National Railways for 1921 places the operating loss at \$16,093,202. This represents a considerable betterment as compared with the previous year, and we might all feel encouraged if it were not for an increase in fixed charges almost equal to the gain in operating results. The tremendous additions to capital liability have been the salient feature of public ownership thus far. They have exceeded \$600,000,000 since 1914, and quite unavoidably interest charges have been raised in proportion; so that it will require net earnings on a very large scale to make one hand wash the other. As it is, we are adding about \$100,000,000 to the public debt each year on railway account.

The problem thus created challenges the best brain power of the country. If we continue to drift as we have been doing for more than five years past, the outlook will soon become alarmingly grave. It is, in fact, very grave now. The Minister of Finance has intimated that a loan of \$350,000,000 will be necessary in the near future, and we must all frankly recognize the fact that part of this new liability attaches to our system of public railways. In a very large sense this is the price we have paid for mixing politics and transportation. At this moment it would be impossible to exaggerate the importance of what may be done by government in connection with the new Board of Directors. If political control is permitted we shall surely see the losses grow.

There is only one way out and that is to consolidate operations. The present system is so laid out as to be wasteful. Some people talk as though growth of population and swelling traffic would alone enable net earnings to take care of fixed charges. They have not studied the railway map. What we have at the present time is two trunk lines, where for many miles one would do the work. It is estimated that the system could stand the elimination of about 3,000 miles of main line track. The C. M. A. has made some practical suggestions in this connection. As it is, the Canadian National is in the position of a merchant who has two large stores opposite to each other.

President D. B. Hanna has shown commendable determination to fight against political interference at Ottawa. But there are indications that he has been to spend time in this fight against the politicians and "avoids" which could well have been devoted to the problems of the railway itself. And the success of the Atholsta nroorbach in the Federal election indicates what may be expected when it comes to the elimination of the human deadwood and the consolidation of operating machinery under the national board.

There will undoubtedly be a strenuous effort by the politicians to get their puppets on the new national board. Canada looks to the government to appoint men who will administer in a sound business way and stand by the policy of political hands-off for which Mr. Hanna has fought.—Financial Post.

PREPARED PLATES.

There are apparently still some simple folk who believe that materialism is to be countered by proving the existence of a spirit world which is yet sufficiently material to allow of its being photographed. The evidence for the supposed fact is as weak as the metaphysics are confused. In the May Journal of the Society for Physical Research there is an illuminating article on "A Case of Fraud With the Crowe Circle." An expert photographer visited Mr. Hope, who is, we believe, the chief instrument in the production of "spirit photographs." The condition in such cases is that the sitter brings his own plates and that every precaution is taken against any substitution of prepared plates; for it is well known that, given the opportunity, any photographer can produce shadow-figures at will. In this case the sitter brought with him plates which had been specially treated under x-rays by the maker in such a way that parts of a private trade-mark would appear after developing. Two photographs were taken. On one the sitter appeared alone; on the other there was a spirit form beside him. But there was no trade-mark on either. The sitter was able to see clearly how the substitution of prepared plates was made in the dark room. Such is the account, given in full detail in the article referred to. Mr. Hope must clearly bring an action for libel against the Society for Physical Research or acquiesce in the conclusions which will be drawn.

REVIEW OF CALGARY MARKET
(From Market Examiner, Calgary)
CATTLE
CALGARY, July 6.—Calgary had very poor quality cattle for the greater part of the week, and beef steers hard to quote with tops of light and choice heavy from \$5.50 @ 6; good, \$4.50 @ 5; medium, \$2.75 @ 4.25; common, \$2 @ 2.50. Top cows, \$4 @ 4.25; good, \$3.50 @ 4; medium, \$2.50 @ 3.50; common and canners, 50c @ 2.25. Not much quality to the fat she stuff. Bulls will probably squeeze up to \$2.25. Calves unchanged, with best at \$5 and common \$1 @ 2.50. Quite a lot of feeders, without much weight on hand, and selling lower at \$2.50 @ 3.50; stockers, \$2 @ 2.75; some of this stuff being shipped across the line. Heifers, \$2 @ 2.25. Cows, \$1.25 @ 2.
HOGS
Calgary prices firm from last week, with Wednesday sales at \$13 @ 13.15; today, \$13 @ 13.15.
SHEEP
Not much mutton offered at Calgary, and prices lower, with top lambs at \$10.50; wethers, \$8 down, and ewes, \$7 down.
PRODUCE
Egg receipts light at Calgary, unchanged at 24c, 20c, 15c, 10c on grades. Eastern prices on creamery butter lower; Alberta carlot price, basis specials, 35c @ 36c; cartons, 40c. Fancy table dairy butter, 22c @ 25c; No. 1, 18c @ 20c; No. 2, 15c @ 17c; No. 3, 12c @ 14c. Butter-fat prices unchanged at 33c, 29c, 27c, with off grade 23c; receipts steady. Large cheese production in Alberta this season; prices unchanged. Poultry market slow; fowl, 10c @ 12c; roosters, 8c; chickens, 15c @ 20c; fancy broilers, 20c @ 25c. Unless dressed poultry shipped in good condition, better save express on it. No reliable market quotation on potatoes; new crop making old stuff hard to move. Veal, 5c @ 9c; lamb, 19c @ 20c; hogs, 14c @ 15c; farm killed.
GRAIN
This week has not been particularly blessed with rainfall in Alberta, and that is what we want worst in most of the districts. In the south the crops are good, but some of the central and part of the northern districts are very patchy, which also applies to some along the eastern line. Weather during the next few weeks will mean a great deal in the making or marring of the crop, and some of it seems very doubtful. Wheat prices have been strengthening, partly due to reports of rust in some of the States.
HAY
New alfalfa coming on market soon, and will cut prices on old crop; upland, \$13 @ \$18; country points, according to location. Alberta hay will have to meet U. S. competition on markets in southern B. C.; they will sell alfalfa and timothy cheap and have the advantage of freight haul.
WOOL
Prices weaker and Calgary dealers now quoting 14c on ordinary clip.
HIDES
Another cent advance on butcher hides at 6c; flint dried, 9c; calf, 6c @ 7c; kip, 5c @ 5 1/2 c.
FURS
Trade good; beaver advanced to \$8 @ 16; coyotes, \$5 @ 11; spring rats, \$1 @ 1.70.

TRUTH AND TOMBSTONES.
When through the quiet folds I go where side by side sleep high and low, I seldom see an epitaph which tells the truth or even half. If we could sift the wheat from chaff, if plous lies no more were read but only bitter truth instead, with little left to soothe and please some stones would tell us facts like these: "Poor Mary Jones lies in this tomb, she pushed too far a heavy broom. Her husband, grieves, his sorrow deeper because he bought no carpet sweeper." "In memory of Hetty Burke who died of general overwork. Her husband finds it much more bother to save one wife than get another. He'll not be long a widowed weeper, hired help is dear but wives are cheaper." "Here Susan Smith has rest at last, too many children came too fast." "Here lies the wife of Hapgood Hicks who did the weekly wash for six. She's glad to rest beneath these sods, she carried water seven rods." Life's burdens should be justly shared. Some husbands could be better spared than wives for whom these stones were squared. Dry-eyed we'd plant these selfish coals and leave them there till Gabriel toots.
---BOB ADAMS
THEY WERE FRESH.
Customer—Are you quite sure the eggs are fresh?
Merchant—Why, mum, if they were any fresher they would be impertinent.

Rude Rural Rhymes
Liver Pains
Pains under the shoulder blades tell of liver derangements. Other indications are sallow complexion, indigestion, constipation, biliousness and bilious headaches.
The quickest way to arouse the liver to healthful action is by use of Dr. Chase's Kidney-Liver Pills. Continued use will insure lasting relief, correct the whole digestive system and purify the blood.
Mrs. Wm. Barten, Hanover, Ont., writes:
"For some time I suffered from liver trouble. There was a hard, bearing-down feeling in my back which I could not get rid of. Some one advised me to try Dr. Chase's Kidney-Liver Pills. I did so, and found them excellent. The dragging feeling in my back disappeared and I felt much benefited generally. I have great confidence in Dr. Chase's Kidney-Liver Pills, and always keep them on hand for general use."
Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

Our preparations for camp are well under way and I hope that all will assist in getting things in order. The Troop will meet tonight, in uniform, at 7 o'clock.
V. GODDARD,
Scout Master.
Board of Trade Held Meeting
At the regular meeting of the Sidney Board of Trade last Tuesday evening the question of sanitation came in for considerable discussion, the final outcome being that suitable resolutions be framed to be presented at the convention of the Associated Boards of Trade of Vancouver Island, which will be held in Cumberland on Aug. 4-5. Dr. Beale was present at the meeting and explained several matters which had been referred to him.
Among the communications read at the meeting was one from the Victoria Chamber of Commerce, suggesting that trees be planted along Beacon avenue in order to beautify the approach to Sidney. No definite action was taken regarding this matter.
A communication was received from the Associated Boards of Trade of B. C., requesting a donation towards the Freight Traffic Bureau for the province. The communication explained that the primary object of such a bureau would be to take care of the many freight traffic questions that face the various sections of the province every day of the year; to be prepared to give advice on all matters of classification, tariff, changing of rates, re-grouping of rates, and in fact to give every possible service tending towards the betterment of conditions as it affects the commercial interests. The amount asked from the Sidney Board of Trade was \$10, which was granted.
The council of the Board will appoint delegates to attend the convention of the Associated Boards, and will also appoint a resolutions committee.
After several matters of minor importance had been disposed of the meeting adjourned.

James Island News Items

(Review Correspondent)

JAMES ISLAND, July 11—A slight explosion occurred in the waste acid tank at the works on Friday evening just after 8 o'clock. No one was hurt.

The annual meeting of the Conservative Association was held in the Assembly Hall on Tuesday evening. Mr. A. J. Dakin was elected president, and Mr. Guy Walker secretary for the ensuing year. Mr. John Thompson was appointed delegate to the big convention which will be held in Vancouver the third week in August. After some financial business was put through the meeting adjourned.

Mr. and Mrs. Argyle and daughter, Gwennie, from North Saanich, spent Sunday with Mrs. Burrows.

Mr. and Mrs. Noakes left on Tuesday for a holiday on Shawnigan Lake.

Mrs. A. Robb and son, Peter, are away for a month's holiday.

Miss Ella Brown did not depart for Winnipeg but has taken a temporary position as stenographer in the C. X. L. office at Victoria.

Congratulations to Mr. and Mrs. W. Bond on the birth of a son, Thursday, July 6.

Miss Margaret Eyres has gone to spend two weeks with friends at Departure Bay.

There was a strawberry social on the tennis courts on Wednesday night given by the Moore Club. Whoever was responsible for the arrangements deserve much praise, for not only were the strawberries, ice cream and cookies generously served out to all, particularly luscious, but the courts were well lighted by electricity an almost full moon, NOT the one painted by Miss Hester Richards. Unfortunately, the master of ceremonies forgot to "temper the wind" and it was necessary to join madly in the medley to keep warm. The Magnavox kindly supplied suitable music, except for the Virginia reel, which it declared was "too darned old-fashioned." The guests crept home at midnight.

Mr. Arthur Ingles and party went to Saturna on Saturday afternoon, returning on Sunday evening.

Mr. and Mrs. Scott and family returned from Victoria and spent Sunday with Mr. and Mrs. A. J. Dakin.

On Friday a large party of James Islanders went in to town to see Miss Elsie Janis in her musical show. There was a special late boat for the party.

The three Miss Williams' are the guests of Mrs. Pierce.

Messrs. Jos. Wright and W. Bond had no luck with fishing over the week-end.

In a week-end match between teams representing the Kingston Street Lawn Tennis Club and the James Island Club, the former won by a score of 15 to 9. The match was played on the Kingston street courts in ideal weather. A feature of the match was the excellent play of Mr. B. C. L. Bean, who was first man on the James Island team.

Another feature of the interclub match was the play of Miss D. Thomas of James Island. The results, in detail, were as follows:

Ladies' Singles.

Miss D. Thomas (James Island) beat Miss Severs (Kingston) 6-1, 6-4.
Miss Cass (Kingston) beat Miss H. Richards (James Island) 6-2, 1-9.

Miss Hunter (Kingston) beat Miss R. Richards (James Island) 6-3, 7-5.

Men's Singles.

Bean (James Island) beat O'Halloran (Kingston) 6-1, 6-1.

Parkes (Kingston) beat Eyres (James Island) 6-4, 6-2.

Swayne (Kingston) beat Richards (James Island) 6-0, 6-1.

Witter (Kingston) beat Holland (James Island) 6-1, 6-3.

Oscar (James Island) beat Fetherston (Kingston) 9-7, 6-8, 6-4.

List (Kingston) beat Rivers (James Island) 6-3, 6-4.

Jennings (Kingston) beat Whalen (James Island) 6-4, 8-6.

Pollock (James Island) beat Fraser (Kingston) 10-8, 6-3.

Mixed Doubles.

Mrs. Richards and Bean (James Island) beat Miss Severs and Witter (Kingston) 3-6, 8-6, 6-1.

Miss Cass and O'Halloran (Kingston) beat Miss Thomas and Rivers (James Island) 4-6, 6-2, 6-3.

Miss Hunter and Swayne (Kingston) beat Mrs. Sinclair and Eyres (James Island) 6-3, 6-1.

Mrs. Shaw and Parkes (Kingston) beat Mrs. Thomas and Thompson (James Island) 6-1, 6-2.

Miss R. Richards and Richards (James Island) beat Miss Grant and Fetherston (Kingston) 1-6, 6-3, 6-4.

Miss Hickey and List (Kingston) beat Miss H. Richards and Oscar (James Island) 6-3, 8-6.

Ladies' Doubles.

Mrs. Thomas and Miss Thomas (James Island) beat Miss Cass and Miss Hunter (Kingston) 6-3, 6-1.

Miss Severs and Mrs. Shaw (Kingston) beat Mrs. Richards and Miss Richards (James Island) 8-6, 6-1.

Mrs. Sinclair and Miss Richards (James Island) beat Miss Grant and Miss Hickey (Kingston) 9-7, 2-6, 6-4.

Men's Doubles.

Parkes and Fetherston (Kingston) beat Eyres and Bean (James Island) 6-2, 6-4.

Ewayne and O'Halloran (Kingston) beat Holland and Thompson (James Island) 6-3, 6-3.

Witter and List (Kingston) beat Rivers and Whalen (James Island) 6-4, 6-1.

Pollock and Oscar (James Island) beat Jennings and Fraser (Kingston) 6-3, 8-6.

A return match on the James Island courts will be played at the end of the month. The members of the Kingston Street Club entertained their visitors most hospitably at lunch and tea, and the James Island team had the time of their lives.

Miss Eva Mortimer is spending her holidays with Mrs. Dixon.

Miss Doner and Miss Kathleen Malpass are staying with Mrs. Malpass for the holidays.

In last week's issue we mentioned that an accident to Mr. Dixon was due to a defective gas mask. We wish to contradict this statement.

More Junk From James.

Some of us folks have got to mourn, we have a grief which can't be borne. Our hearts—are those the feeling parts?—are lacerated, likewise torn. Our yesterdays were free from care, a fact of which we weren't aware. Now we must get down on all fours and start on these infernal chores. Father must turn from pleasant poker and chop like mad, for he's the stoker, and mother bangs the dusty mats instead of making ribbon hats. Indeed no need for gear so swanky, sufficient a red cotton hanky. The little ones must dump the cinders and train the hose to clean the winders. Howl, all ye dogs and sadly sing—Tyke Eyres and Trixie Bond and Byng, Rover and Fuzz and Trixie's son, and Ingles' Dot-and-Carry-One! Wall, all ye cats who all night waken, from Smoky Noakes to Tommy Dakin, while we accompany with groans and bones and muted megaphones! Above the noise I hear you shout "Now, what the — is this about?" Surely there's no one could define a worse ill than this—WONG'S OFF TO CHINA!

HELD SERVICE LAST SUNDAY

The Rev. P. E. Balsler, D.D., of Victoria, English Lutheran Field Missionary for Western Canada, preached in Berquist Hall, Sidney, last Sunday evening. The text was I Cor. 3:9-11, and the theme, "Wise Master Building—Individual and National."

The preacher said that the history of the world was largely a history of fallen empires and mentioned as the cause of the decay of nations the lack of righteousness and the spirit of unselfish service.

Canada has an area larger than the United States, with resources almost incalculable, but her potential greatness lies in her ideals rather than in her resources. Her great need is population, but a population permeated with the spirit of Christianity. Her greatest danger is materialism and irreligion. Of the present population of about 8,000,000, 2,833,000 are Catholics, while the Presbyterians, Anglicans and Methodists each have about 1,100,000. The Baptists number 380,000 and the Lutherans 230,000. In the United States, Lutherans rank third among Protestant denominations and in Canada fifth.

The greatest asset of a nation is her people, and her proudest work is character-building. "What does it profit individual or nation if the whole world should be gained and the soul lost?" declared the preacher.

It's in The Review—the news of the District.

The Review

A lot of people are beginning to realize, is a newspaper that would do credit to a district having a far bigger population of enthusiastic people than the one which it covers. Of the very large number of weekly newspapers now published in the West it is doubtful that many, if any, publish the same amount of interesting and up-to-date reading matter as is found in these columns.

While it is almost impossible to obtain all the news of this large district, we are certain that we, through our large circle of excellent correspondents, obtain a very large proportion of it.

Our subscription price is only

\$2.00

per year and new subscribers are constantly being put on the list. In fact nearly all our entire issue is taken up with our list and consequently many people, who wish to buy a paper, are disappointed when we tell them that we are "sold out".

Therefore if your name is not on our list make up your mind to subscribe to the paper that you are most interested and that publishes the most news of the district in which you live.

By the way don't you think that some relative or friend of yours would like to receive The Review for

A Year

BEAUTY OF THE SKIN

PERSONAL AND LOCAL NEWS NOTES

Mr. L. Thompson spent the week-end visiting friends here.

Miss Jenner visited her parents here during the week.

Birthday congratulations to Master Gordon McLeod, July 15.

Miss Margaret Patterson, of Victoria, is the guest of Miss Winnifred Taylor.

Miss Dorothy Cooksley was the guest of Mr. and Mrs. J. Gilman last week.

Mr. and Mrs. Forsythe and family, of Vancouver, are guests at Beach House.

Mr. Scholes, of the Metropolitan Life, was in Sidney last Monday on business.

Mrs. Wilcox, of Courtney, was the guest of her daughter, Mrs. Manning, last week.

Miss Nan Patterson, of Victoria, was the guest of Miss Kathleen Taylor last week.

Mr. A. B. McDonald, of Victoria, was in town on business last Tuesday afternoon.

Miss Gladys Bowcott spent a few days visiting her parents, Mr. and Mrs. Fred. Bowcott.

Mrs. Tomlinson and two children, of Vancouver, are the guests of Dr. and Mrs. A. G. Beale.

Mrs. Bert. MacKay returned home last Tuesday from Seattle, where she had been visiting friends.

Mr. Higgs, of South Pender Island, passed through Sidney last Monday afternoon en route to his home.

Miss Florence Bryant, of Victoria, is visiting Mrs. Harold Bowerman, of Pender Island, during her holidays.

Mr. and Mrs. Sidney Kelly and daughter, of Vancouver, have taken up their home at All Bay for the summer.

Mrs. Parkes and daughter, Barbara, who have been visiting Mrs. J. Gherke, at Port Angeles, returned home Monday morning.

Master James Rankin and his chum, A. Ploughs, of Victoria, made a trip to Anacortes last week and report having a real good time.

Mrs. Green, Mrs. Whitt and Master Ernest Whitt, of Portage la Prairie, Man., were guests of Mr. and Mrs. F. Forneri last Friday afternoon.

Mrs. Greaves and little Dorothy Mogridge left last Wednesday for Victoria, where they will visit friends prior to leaving for England.

Mr. G. E. Goddard returned home last Monday morning from Kam-

loops, where he had been officiating as judge of horses at their annual fair.

Mr. and Mrs. Carmichael and family were visitors to Mr. and Mrs. J. Critchley last Tuesday.

Mrs. R. H. Harrison is spending today (Thursday) with her brother, Mr. J. Critchley, prior to leaving on Sunday for England, where she will reside.

Mrs. A. Critchley and two daughters, Mrs. Knight, Mr. Keirstad and Mr. Mc. McQuarrie, of Cumberland, motored to Ladysmith last Wednesday afternoon.

Week-end guests at Beach House included Mr. and Mrs. Truefell, of Portland, Ore.; Mr. and Mrs. Baron, of Victoria; Mr. Russell and Mr. Hadfield, of Vancouver; Mr. Keith-White, Mr. and Mrs. Terden and Mr. Bell, of Everett, Wash.

Mrs. Geo. Clark, of Patricia Bay, and Miss Molly, left last Tuesday for Shawnigan Lake, where they will attend the closing exercises of Mr. Lonsdale's school. They will return on Thursday, bringing Master George Clark home for the holidays.

Mr. J. Gilman, of the Sidney barber shop, has gone into the Royal Jubilee hospital where he will undergo an operation. During his absence, Mr. Kirkpatrick, of Victoria, will look after the shop. Mr. Gilman's numerous friends will wish him a speedy recovery.

RECEPTION LAST NIGHT.

A large number of the members of the various Anglican churches in this parish met last night at the home of Col. and Mrs. B. V. Layard, Deep Cove, to formally welcome the new rector, Rev. T. M. Hughes, who took over the duties of rector on July 3. The reception was the result of an invitation extended by the members of the Ladies' Guild of Holy Trinity Church, Patricia Bay, and they were much gratified with the number who attended to accord a fitting welcome to Rev. T. M. Hughes, who had been in this parish about two years ago and made many friends. The evening was very happily spent in music and games.

Being given the opportunity, Rev. T. M. Hughes expressed his pleasure at once more being back in the parish, and was very pleased with the splendid reception which was given him. He also expressed his appreciation to the ladies who had made arrangements for the happy occasion.

Delicious refreshments were served by the ladies during the evening, and the happy evening was brought to a close at an early hour.

REGATTA ON AUGUST 5.

The members of the Ladies' Guild are making arrangements to hold a regatta at Deep Cove on Saturday, Aug. 5, on the site which Camp Hope occupied last year, about 3 minutes' walk from the B. C. Electric. There will be a good programme of water sports provided, in addition to rowing and canoe races. The members of the Guild will have stalls at the grounds where ice cream, home cooking, etc., will be sold. In the evening an open air dance will be held, for which good music will be provided. The regattas held under the auspices of the Ladies' Guild have been very successful in the past and it is expected this year's event will prove as successful as those previously held.

BASEBALL TONIGHT.

If you wish to see a real baseball game, and gather a few pointers on how it is done in the big leagues, attend at the Athletic grounds tonight at 7 o'clock and watch the major league boys battle. The teams will be made up of the inside and outside crews of the Sidney Mills. W. Patchell is manager of the inside crew and A. Robertson performs a like office for the outside men. To add to the intense excitement which will no doubt prevail, Mr. McMullen will pitch for the inside crew and he will have a worthy opponent in Lovi Wilson who will officiate on the mound for the outside crew. You will have to be early to get a seat as it is expected there will be a huge crowd to watch this match which will no doubt contain many exciting moments.

Sidney Team Won Last Night

The regular senior league lacrosse match last night between the Sons of Canada and Sidney teams resulted in a win for the local boys by a score of 7-1. Our staff reporter says that it would be entirely unfair to mention any individual member of the Sidney team as better than the others, although he admitted that P. Segalerba, W. Munro and E. Norton certainly were playing in top form—and so were the rest of the boys.

As the teams now stand, Sidney and the Wests have each won three games and lost one, and the Sons of Canada and the Garrison have each lost three and won one. This makes it interesting, as each team plays six games. The next two games will be quite the warmest of the series, and the indications are that the Sidney boys will win the next two games.

The line-up last night was as follows:

home, C. Reid; outside home, P. Segalerba; inside home, M. McClure. Spares, A. McIntyre, J. Crossley and J. Carmichael.

Sons of Canada—Goal, P. Humber; point, McNamee; cover-point, Collaith; 1st def., Moses; 2nd def., Stralinson; 3rd def., Brown; centre, Cowan; 3rd home, Sturgess; 2nd home, Humber; 1st home, Allen; outside home, Creighton; inside home, Cameron. Spare, McInnis.

McIntyre substituted for Burton in the third quarter, and McInnis substituted for Moses in one period.

Goals were scored as follows: Sidney—Segalerba, 3; Jenner, 1; McClure, 1; McNorton, 2.

Sons of Canada—Cowan, 1. The pick of the Victoria team were P. Humber and B. Humber and Brown in goal, all doing fine work.

Celebration Was Most Successful

The Dominion Day celebration committee of the Sidney Athletic Club met last night for the purpose of winding up affairs in connection with the celebration. All present expressed their satisfaction at the result of the day, and look forward to the next event with pleasure. The committee desires to express grateful thanks to all who donated in any way to the prize list, and also to all who assisted in making the day such a successful one. The financial statement was submitted by Mr. J. A. McLeod, as follows:

W. A. MEETING.

The St. Andrew's branch of the W. A. held their regular monthly meeting at the home of Mrs. Hope, Bazan Bay, yesterday afternoon, there being only a fair attendance. One new member was enrolled, and Rev. T. M. Hughes, the new rector, was welcomed. During the afternoon the question of forming a Ladies' Guild was discussed, the majority of those present being in favor of the proposal. Mrs. Hope and daughter served dainty refreshments at the close of the meeting.
